

# On the schedule today ...

By Holly Lisle

A few of my characters will be talking to some of the old gods, none of whom have any particularly warm feelings for humanity right now. Following that, I'll get to put a couple of the dark gods through their paces in Cat Creek this should be messy.

I'd very much like to get my words done early today, since I still have to go over the proofs of **Vincalis** and get them in the mail, and it would be nice to have them done early.
