IRREFUTABLE, by Dale
Roberts

A lot of my students have sold novels to publishers, brought out their own books, won contests...

**This guy is the first of my
students I know of who made it to
the New York Times Bestseller list.**

Holly,

I can't thank you enough. Your teaching has been priceless. Using your courses, I wrote my first novel. The Kindle version just made the NY Times best seller list at #19. I am

consistantly hovering around the top 100 on Amazon.

Thanks soooooo much.

Dale Roberts

For the paranoid among you, he really is one of my students. He bought **Plot Clinic** and **Page-Turning Scenes** back in early December of last year.

His book, **IRREFUTABLE?** Fast-paced, well-written, smart, and fun. I bought it yesterday, and it's excellent. And well worth the \$2.99.

Here's his link again. I'm so excited for him. This is SERIOUSLY cool!
