

Onyx Proposal Progress

By Holly Lisle

Have done close to 2000 new words today on background plus synopsis. I love this story – Matt and I started kicking around ideas the day before yesterday, yesterday I went out and bought a handful of background books, and this morning things were cooking.

Whether it will go? Well, that we don't know. But it has a nice mix of heat and suspense, with a smattering of paranormal weirdness. And modern-day pirates.
