

Onyx Synopsis Out the Door

By Holly Lisle

While I'm damned wary about hoping too much, considering the way these things have gone the past eleven times ... well, I'm an optimist. And I really like this project. It brings in Brig from MIDNIGHT RAIN as the hero, and an EMT-Paramedic named Dia as the heroine, and a gift-leaving stalker, and alligators in a canal in dicy, grim circumstances. And what might or might not be a ghost. And it features EMTs and rescue in Ft. Lauderdale – real adrenaline-junkie stuff. (As an ex-ER RN, I am an adrenaline-junkie – I know my own).

God, I hope I get to write this book.
