I know it’s Saturday morning.

Sorry I missed this. Have been up all night, have the NaNo beta tester for How to Revise Your Novel chosen now (still won’t be notifying any applicants until Monday or Tuesday, because I still have the Non-NaNos to go through, and the entries are significantly longer.

But I forgot to post the Friday “write a book with me” entry.

I’m sorry. Here it is. Will make sure the Saturday one goes up on time.

How are your weekend words coming?
