ADDED 01/16/2014: Beta Testers chosen and notified. Beta copies go out today.

I had two folks on my very short beta tester list pass on this project, so I have two spaces for new beta testers.

Tell me why you want to be a beta tester on this project, what sort of writing you do, and what you can bring to the beta test.

I'll pick the first two folks who convince me they'd be great testers.
