Original Manuscripts on Sale

Someone near and dear to me has serious money trouble and needs to buy an affordable used car so she can get to and from work.

To help out, I've given her three of my original manuscripts to auction off:

- **Sympathy for the Devil**
- **Bones of the Past**
- **Mall, Magic & Mayhem**

She's putting these up on eBay—**Sympathy for the Devil** *tomorrow*—and (change of plans) as soon as they go up, I'll post links to each of the auctions.

These are the manuscripts that I sent into Baen, that are marked all over with copyeditor's marks, and from which the books were typeset. They're one-of-a-kind items, and I'll verify that they're legit.

If you have any questions about the manuscripts, you're welcome to ask me here. Questions about the auction, of course, go to her.
