Wrote a quiet, reflective, relationship-y chapter in **Gods Old and Dark**, as Pete tries to work out things with Lauren, and tries to understand the obstacles between the two of them by talking with June-Bug. I figured after a battle between the keth, Loki, and Thor, and all the Sentinels, a quiet chapter might be a nice break.

Got 2066 words today, first time I've broken the 2000 barrier in quite some time. I have high hopes for tomorrow. I'll be writing a scene with Molly post-Baanraak, and her encounter with Seolar, who has faced more death than he can take. Lots of angst. Should be fun.
