

# Planning a Simple Day

Start count: 121,840. Goal: 124,840. I'm planning a light day today. Just the 3000 words on HAWKSPAR, no other projects, spend as much time as I can with the guys and mostly just relax.

And had I considered writing "3000 words" and "light day" in the same paragraph before, and been serious, I would have laughed my ass off. I confess to amazement at what I've learned about myself since starting HAWKSPAR.
