

Podcast Episode I: The One With the Fangs

By Holly Lisle

New episode of Holly Lisle On Writing is up. The first real episode, actually. You can go to the website linked above, where you can get the links for the great music I've used as bumpers, and find out a bit more about the show. Or you can simply click the little player in the column to your left and listen to it here.

Or ... you can subscribe, either from your iTunes player or from the show site.
