

Printing Out the Proposal

written by Holly

March 9, 2005

By Holly Lisle

Going to print out the current version of the Onyx proposal, and take some notecards and a notebook and start digging deeper into characters looking for twists and bumps and surprises I can pull into the story.

Also going to pay bills and get caught up on some homeschooling paperwork. So I'm done online for the day, even if I'm not done writing.

Definitely on a writing high at the moment, though.
