

# Problems with Jatol

By Holly Lisle

There are apparently serious problems with Jatol. Jatol's home site has vanished. You may have noticed site outages.

This site has been backed up and packed up, and the e-book store and comments on the weblog have been closed. Along with Zette, I'm in the process of looking for a new host. If you need to contact me, the **ONLY** reliable e-mail address right now is **hollylisle AT gmail DOT com**. Anything else could disappear at a moment's notice.

If you can recommend a quality webhost that offers good bandwidth, good storage space, and personal service, please email me.
