

Productive morning so far

By Holly Lisle

I'm taking a few minutes' breather to figure out what happens next. I've done over 3000 words already this morning. Finished chapter two with a cliffhanger as solid as the one for chapter one, am well into chapter three. I am, however, in dire need of a nap already. Can't say I'm crazy about waking up at 4AM, but it certainly makes getting work done a whole lot easier.

Still, if I can I'm sleeping in until six tomorrow.
