My Choose-Your-Own-Adventure email game has gone live!

You can play the game now if you're already a list member, or **restart at ANY time** (using your same email) by joining the adventure at the bottom of any page on this site...

Choose YOUR Own Adventure

- Are you an **Adventurer**, leaping into tomes spun by wizards to sail the stars, struggle against dragons, or find true love?
- Are you a **Wizard**, wordcrafting Tomes of Wonder for adventurers to follow?
- Are you a **Town Crier**, summoning folks to new adventures?

Face the Guardian of the World-Rift Forest. And CHOOSE.

Or if you don't see the Adventure sign-up on your browser, **you can join the game HERE.**

The game is not a new thing I've added to my email list.

It is the list, totally replacing "Welcome to the list, this is how things work, get these emails here, get announcements there."

Now, you choose the character you want to play as, and you CAREFULLY work your way through the adventure, discovering things that interest to you, and meeting with adventure along the way.

As I have new things for you, I'll add new sections to the adventure.

But today?

Just have fun.
