

Really Big Nonfiction

written by Holly Lisle

January 9, 2017

By Holly Lisle

On hold for the time being.

I'm discovering that among my site visitors, there's not as much interest for in writing nonfiction as there is in writing fiction.

But if you're interested, leave me reply on the page with what your objectives in writing nonfiction are, along with any problems you're having in meeting your goals.

If I get enough comments, I'll brainstorm and build a class for you.
