I was researching a possible name for the ship in which Rik and his crew sail out to rescue Hawkspar and her fellow captives, and I crashed into the strangest page I've ever found on the web.

If you've ever driven behind one of those folks with a bumper sticker that says, "In case of rapture, this car will be unmanned," and wondered about your odds of lucking into a free car before the next stoplight ... well, here you go. Keep track of this site, and you'll know when to tailgate, and when to just pass.
