I can save everything through the end of CHAPTER 10 with minimal revisions. More than I'd thought. So I have, in fact, 42,357 words to write from scratch.

196 pages.

21 scenes.

Of which I have four outlined.

But at least I've progressed from only having 13.3% done to having 20% done, and I didn't have to write an extra word. Ahh, the power of math.
