

# Romancing the Deadline

By Holly Lisle

So far today, I did my guest column for Romancing the Blog – it'll post on the 18th. I'll link to it then. Will say, however, that I like the way it turned out.

Now, way late, I'm starting into my 2000 words for ISY. After that ... well, the headache that took me out of commission after I got my ISY words yesterday is already threatening. This time it's a weather shift, and my sinuses are going nuts. Unlike a migraine, I can at least work with this sort of headache. It does tend to slow me down, though. I'll see how things go before making any predictions on anything after the next 2000 words, though.
