Completing the Ohio Novels remains the priority... but I JUST GOT FOUR novels I loved back.

I have the revised, NOT bug-hunted editor drafts on my hard drive (still, and in usable format), and AFTER I have all five Ohio Novels launched, I will have to:

Bug-hunt, edit, format, find cover art, give each book in each format its OneMoreWord ISBNs for each version, and then take them live...

But Russell Galen remains a brilliant agent, and I now have all my damn rights on those four novels back!!!
