So Jean showed up early, and I was there on time. We chatted, but are now set up to run. My goals for the day, fairly large. 3000 words minimum on HAWKSPAR, 6000 words max if I can get them, because of those words I lost earlier in the week. Depending on what time it is when I pass 3000, I'll either keep working on HAWKSPAR, or switch over to LGD and finish the revision on that.

Either way, I wrap LGD today.

Onward!

START: 85430 – FINISH: 88430 or better.
