I'm still buried in unpacking, which takes a lot longer if you're writing classes and novels while unpacking.

But I only have a few people still on my OLD email processor. And I'm going to be deleting all of them tomorrow.

If you're one of the folks who got the "sign up at the NEW email processor" email however, here's your form.

If you sign up for this, you'll be added to my BASIC list, and will then be able to choose which kinds of emails you want to receive from me.

Thanks.
