So, boy, oh, boy. Just agreed to my deadline schedule for the new book.

I'm struggling with **Hawkspar**. Must get that book finished. Promptly, yes? It was officially due last December, and Anna has been lovely about the delays, but I'm not . I want to have the book done, and done well, so that we can get it edited and into production.

Over the weekend, I finished the copyedit of **Work-for-Hire I**. Must get that mailed. Promptly, yes? It's due Sept 1.

New deadline to add to the mix. **Bad Moon Rising**, December 1st. I'll be doing numbers in a bit, but, well. Yes. It's almost September now.

My main character isn't the only one confronting alligators.
