[su_heading size="18"]You're HERE! THANK YOU![/su_heading]

You've identified yourself as:

A dedicated reader of Urban Fantasy who may be interested in reading a whole lot of it all at once for a writer who has to remain nameless until she gets her own website... and maybe a cape.

- So you'll now get very irregular updates on the books I'm writing for a whole lotta hours every single workday...
- And receive an opportunity to volunteer to read and bug-hunt five books and about 500,000 words of fiction in a pretty compressed time frame...
- And receive notices when the books go live on Amazon, and eventually elsewhere, and when Secret Identity Writer gets her real name.
- And some other cool stuff. But *that's* just surprises for later.
