

So. Here I Am Again

By Holly Lisle

Woke up at two AM. Gave up at three AM and decided I might as well get some writing done.

I'll be starting with **I See You** – 2000 words or so – followed by 17 manuscript pages of **Hawkspar**, which tend to translate into more pages on the actual book. Lots more pages. And probably a nap in there somewhere, too, because frankly, these hours suck.
