

So Very Cool

By Holly Lisle

I was a complete podcast neophyte when I decided to put mine together, and I'm just now exploring the podcasts other people have done. I discovered Tim King, who does be the story. I'd listened to a few of his early episodes shortly after doing my first one, but didn't realize until last night, when searching for something else entirely, that he'd done a podcast titled "Great Characters and How to Make Them," in which he creates a character using my Create A Character Clinic. I was really surprised to find this out there, and enjoyed the episode, so I thought I'd pass along the link. If you want to listen, but aren't sure how, you can use the episode player at Yahoo.
