I should probably be taking today off to just work on the revisions of **Wreck of Heaven**, but I'm not going to be working most of tomorrow or Sunday, and I want some pages. Today the ghost lets hero and heroine in on the reason why she sought them out. What she has for them is not good news for either one.

I'm struggling a bit with just how much to let out right now. I'd like to make 2000 words, but I'm getting a late start, and still fighting to get this part of the story clear in my mind. I'll see how it goes.
