

Starting on the Words

By Holly Lisle

Rolling a little late this morning, over in FMWriters.com chat getting ready to run tens.

Have been reading through what I documented of my run through TALYN, which was sort of a leisurely trip compared to HAWKSPAR, though it didn't feel like it at the time. Found some useful notes, discovered that I was at the same point a couple of times there that I am here. The story keeps changing. My core themes for this book are the same, but the action is shifting around them like quicksand.

Going to have to re-outline soon. Don't want to have to do it today. Start:93,231 Goal: 96,231
