

Starting with the Proposal

By Holly Lisle

I have to rub off the rough spots. There are some after all, much to my disappointment – but that's okay. I'm making decent progress, and I'm getting them. Writing a fresh version was definitely the right decision – this one works.

When the proposal is smooth enough to go, I'll move on to HAWKSPAR. Still figuring that will happen early enough today that I'll get a nice chunk of work done.
