I've added, I've cut, I've rethought... and I made significant progress on Chapter 6.

Just not much of a net gain.

So now I'm at 171 words for the day, and 24,242 for the novel. And having moved through a lot of pages to get that very small gain, I'm now going to call it Day and Week.

I've made a net gain of 5816 words for the week – a little less than my objective of 6250 per week.

But I made a lot of gains in the story.

So I'll take it.
