There's damn little I'm going to be able to save. Ohio 3 is lost in the weeds.

So at this point, I'm barely even looking for things to save. I'm just looking for the story I wanted to tell but didn't, and if I can use any of what I already wrote, great. If not... well, that's okay, too.

This. **THIS** is what happens when, *instead of using my system*, I go chasing after that alluring "ooh, awesome" better idea.
