Still Sick

I’m still not over whatever this mess is. Since I have almost no energy at the moment, I’m focusing on getting HTRYN lessons done.

Voting on the scholarships is on hold until I’m feeling better, too. Actually, VOTE, VOTE!

But I’ll get everything set up to TALLY the votes when I don’t feel like Morte Au Gratin.

I did write about 150 words of outline for what happens next on **TalysMana**, but not actual prose.

I’m hoping to get back to it soon.

Meanwhile, I hope your story is coming better than mine.
