

Still Weeding

By Holly Lisle

Had to rip out so much that I was forced to rethink the storyline. And had a hell of a time doing that until I rewrote my one-sentence story.

I swear, that has to be the most useful trick I know for getting past all the crap. Thirty words or less, if they're the right thirty words, and I'm golden.

I'm now making excellent progress on putting the right scenes in place.
