

Stopped on page 395

By Holly Lisle

TALYN copyedit coming along nicely. I'll work on it more later, but in my first sit-down of the day, made it from 212 to 395. Not bad.

Aside from the issue of "than" as conjunction versus "than" as preposition (my preference is for preposition, so I did a fair amount of STETing), this copyeditor and I mostly see eye to eye on things.
