

SUZEE DELIGHT gets longer

By Holly Lisle

Worked six hours on type-in revision today.

I'm 60% of the way through the type-in, and as usual, the story is getting longer. Today, even after some big cuts, I ended up with a 522-word net gain, and a word count of 24,728.

I have some big cuts in the last third, but also MOST of my write-ins, so tomorrow's word count should prove interesting. Not sure yet whether the story will end up longer or shorter overall—but I still haven't gone ridiculously beyond my planned 20,000-word goal.

Next week it'll go to my editor, and then to my copyeditor, and I'll work on classroom stuff when it's out of my hands.
