

# Last 6 hours of my HOW TO WRITE A NOVEL Early-Bird Sale

By Holly Lisle

At the top of this (and every) page on the site, you'll currently see a little timer.

Today is the last day of my **How to Write a Novel Early-Bird Launch**, where the price is **about 50% off my projected final price** once the class is done.

**And as I write this, we're down to the LAST SIX HOURS.**

I have not flogged the launch – we're close to Christmas, I know money is tight for most folks, I know most folks' thoughts are going in other directions.

But I promised some of my writers who requested it that I'd give them another chance to buy the class for a low price before I passed the halfway mark creating it.

**That's now.**

And right now, the class is ***\$57/month for 8 months, or \$456 as a single payment.***

There are folks who have a dream of writing a novel, but I can

say from experience (having shared that dream), that *until you decide to do the work, it never stops being a dream.*

And if this is a dream you share, my process will help you turn the dream into your reality.

STILL not going to flog the thing... I put up two downloadable lesson samplers that you can get here:

- **Sampler** **One:**  
<https://hollylisle.com/the-how-to-write-a-novel-lesson-sampler-part-one/>
- **Sampler** **Two:**  
<https://hollylisle.com/the-how-to-write-a-novel-lesson-sampler-part-two/>

The timer's going, and once the countdown is done, I will not offer this price again.

Right now, you still have some time, and can look over the first parts of the first fourteen lessons, missing, of course,

- most of the techniques and demos,
- all of the worksheets,
- the class discussions,
- the assignments,
- the videos...
- and the fact that I'm only 15 out of 38 lessons (so far) into creating the class...

So the samplers are pretty thin. But they'll give you a taste of what this is about.

And you can decide from there.

**If this is your dream, though, I hope to see you in class, and help you make it your reality.**

## **“How to Write A Novel” LIVE class Q&A on YouTube Live tomorrow**

By Holly Lisle

At 1:30 PM ET, Thursday, September 6th, I'm going to be taking questions on my upcoming **How to Write a Novel** class.

If you'd like to download the lesson list and descriptions (35 lessons at the moment), you can do that from <https://HowToWriteANovelClass.com>

If you want to show up tomorrow to hang out, ask questions, and chat, join me here:

<https://www.youtube.com/user/suspensewriter/live>

If folks show up (I'm not presuming), I'll stick around as long as there are questions (up to two hours).

If not? Well, it's going to be a very short live broadcast, because I'm just going in to talk to folks.
