

# TALYN Contest Update

By Holly Lisle

Apparently both the ARCs that I sent out ...

... through my agent's office bounced back to her (one with no envelope, the other with a notice about packages of more than one pound having to be presented to a clerk) and will, therefore, have to be mailed out again. The runner-up prize apparently went through just fine. Or else it just hasn't bounced back yet.

Winners, please let me know when your copies show up. I apologize for this delay. Feel free to say unkind and pointed things about the Post Office in the meantime.
