

Talyn Copyedit Continues

By Holly Lisle

Finished up on page 636 yesterday. With 828 pages in the total manuscript (in this typeface), I can finish it today if I push, and tomorrow if I stroll through in a leisurely fashion. Since either way that will let me mail it out on Monday, I'll probably choose to stroll. It isn't due back until Nov. 4th..

I'm pleased that I'll be able to turn it in early.

However, between the rewrite of LGD prior to sending it off to Claire and the copyedit of TALYN, I've lost over a month and a half of writing time on SEAFOX. I'm going to have to redo the math, and maybe ask for a further extension. Not too thrilled about that.
