I got WAY carried away tonight. Wrote over 1500 words on TalysMana.

TalysMana is the novel I'm giving away in its entirety, one scene at a time, as I write it.

And the first scene (over 2000 words long), is now available. If you'd like to read the whole novel for free, and find out more about TalysMana, go here:

TalysMana.com

There's a sign-up sheet on the weblog. Follow the instructions, be sure to click the link in the confirmation e-mail you'll receive, and you'll have the first scene in just a couple minutes.

I'm pretty happy with the way this came out. And excited, too.

So. How did YOUR writing go tonight?
