

Tangible proof

written by Holly

May 11, 2002

By Holly Lisle

The ghost just gave the hero an impossible piece of evidence that she's real – and she has ripped his worldview to shreds in the process. Leaving the heroine to pick up the pieces, and to look at her involvement in this whole thing and wonder where she fits. And why.

The scene is unfolding nicely, though a bit slower than I'd like.
