My interview is in Cover-to-Cover #185

With sweaty palms and heart in throat, I'll note that the radio interview I did with Dragon Page will air on regular radio tomorrow. Here are some of the affiliate stations that carry the broadcast. You'll also be able to download the interview or stream it over the internet.

This is a repeat of earlier information. Things might have changed. If they have, I guess we'll find out tomorrow.) If things work as they should, however, the link to the COVER-TO-COVER logo should connect with my interview tomorrow.

UPDATE – Sept. 26, 2005: Summer Brooks says:  
Hi Holly!

The show with your interview is now available online, and will air on XM Satellite Radio this coming Sunday, with a second airing the following Saturday.
