Yesterday, wrapped that tough scene with the villain, and even got started on the next one. **And** got through all the adding-backstory elements in the revision of **The Wreck of Heaven**. Did not do a wordcount on either project – number of words in this instance was less important than just getting through it.

But today, I have clear fields for both **Midnight Rain** and TWOH. Nothing like a good writing day to make the whole world seem brighter.
