

The Birth of SILENT BOUNCE

By Holly Lisle

I'm starting into **Riknir** . And I realized that I wanted to have a place where I could note page counts, do the book math, talk out loud with my fingers about the story and the problems I'm facing with it, think my way through.

This is a writing diary. Its only subject will be my writing, and those things that affect the work. As with all genuine diaries, readers will not be permitted comments.

Here I'll figure out how I'm going to make this particular batch of sausage. If you're so inclined, you can watch sausage being made.
