

The E-book Store Is Now Open to Queries

By Holly Lisle

Considering I'd planned to have this done in March, the fact that it's done in July instead is not spectacular. But the information on selling your e-book in the Shop.HollyLisle.Com store is now available.

High points—for books under \$8.00 I pay a 60% royalty on the sale price, and in books priced \$8.00 or over, I pay an 80% royalty on the sale price, you keep all rights, you can terminate the agreement at any time via e-mail notification, and I pay every month on whatever you have in your account (no minimum amount for pay-out.)

The full details, including the complete sellers agreement and a sample e-book template, are available here.
