

The Latest Podcast Is Now Available

By Holly Lisle

This is Episode 4: The One On Deadline.

Warning: I AM on deadline, so I did not edit this at all. All the umms and ahhs are still in there, I did not add music, and I did not tinker with the sound quality. This sucker has NO production values whatsoever. Until I'm done with this insane deadline, however, any podcasts I do have to be crammed into writing time, and I can't afford to be fancy.

My apologies in advance. The questions and answers are both pretty good, I think. The quality of the sound is not.

I also meant to include a direct link to the interview Mur Lafferty did with me, which aired on her podcast, "I Should Be Writing," last Saturday. Here's the interview link, belatedly.
