

The Ohio Series: Novel 1 – The first big secret comes out.

[By Holly Lisle](#)

And I'm not going to report it here. But one of my two MCs just confessed to his big secret, and my other one said, in essence. "Isn't that nice? Now help me get this giant monster out of my basement."

2018 words, and a scene that started rough but smoothed out at the end. The rough bits will have to wait for revision.

I love this book, though, and this world.
