I had a net gain today of 1131 words, but wrote a lot more than that.

Matt and I spent a couple hours talking worldbuilding and characters last night, and I made a bunch of changes and did a lot of rethinking this morning.

Short post today – four hours of writing and developing, classwork, forums, email, and other work stuff, and then other STUFF does not leave a lot of time for blogging.

But I love where the story is heading.
