

The Wednesday People #wabwm

By Holly Lisle

So it turns out I'm not, much to my utter frustration, done with the print version of WARPAINT yet.

One of my only-slightly-less-rushed Wednesday people (folks who missed the print deadline, but got corrections in in time to help me with the ebook versions) found a mistake so egregious I'm going to have to re-submit the print version a THIRD time. It's one word. But WORDS MATTER, and this one is *so very much* the wrong word.

So my Wednesday folks are now listed in the both the PRINT and EBOOK versions of the ACKS, instead of just in the ebook version.

And everyone will get a better book. ☐

But I'm pretty sure at this point that the eBook versions are going to be available about a week before the print version. I'm sorry about that.
