Even though my new Holly's Writing Classes site is still in high beta, I'm delighted to finally have the writing shop open.

Holly's Writing Classes
Write Your Own Sky

We haven't made the site pretty yet, and for the moment the shop is very plain and simple (no frills), but things work now.

So I've brought back many of my previous classes, and am still working on getting the rest of them live.

I'm also building new workshops and classes.

The one I'm working on currently is **Title. Cover. Copy. Book Marketing for Fiction Writers.**

That’s going to go live in the next couple of weeks. Following that will be a workshop on developing your writing voice.

I’m excited. It’s taken a long time to get to this point, but I’m glad to finally be here.

And a quick note. **Both How To Think Sideways** and **How to Write A Series** are coming back, but are not back yet. Both classes are so big that we’re having to develop better ways for students to navigate through them easily.

Just getting from page to page was a problem in previous versions. That will not be a problem when they go live on this site.
