

This Morning on HAWKSPAR

By Holly Lisle

Rescue of kidnapped Tonk kids; slavers and the Sry people; the Oracle of the Sisters of Stone; the magical properties of the Eyes of the Oracle; the slave girl who doesn't want to become Oracle Hawksparr; the cannibal clans of Sry Yngwu, the return of the Feegash.

I want to do some outlining and some backgrounding, but mostly I want to get the next 2000 words down, so I'll concentrate on that first.

Did not hear from Claire by the end of Friday, so this weekend I'll be working exclusively on HAWKSPAR; I expect she'll have additional comments and corrections for me on Monday, so then I'll shift back to LAST GIRL DANCING. But for the moment I have a clear field, with only one project on which to concentrate.
