Running with Jean continues to be one of those phenomenal word-inspiring processes. Have my first three thousand words done. Finished this set at 88,580, while my MC is exploring the ethics of war while stuck in the middle of one.

I'm moving on to LGD now, and going to finish the edit on that. If I have time left over, I'll go back to HAWKSPAR and get some more words.

Overall, today is going beautifully.
